President's Gouge

Well, May was an active month. At our meeting on the 14th Frank gave another fun and informative demonstration. After watching Stacey Hager's video on the point tool, I went to my home shop and gave it a try again. We got to see

the updated video system in action. The resolution on the new pan-and-tilt cameras is outstanding. We have a small sound problem that should be worked out soon. I'll keep my fingers crossed. Thanks to Frank Miller for putting this all together.

The show and tell was good, with four members showing bowls and boxes and lamps and grinders and even a Bat Masterson style cane. Remember to bring your work for show-and-tell we would love to see what you're doing.

A big thank you to everyone who helped with the cut and seal party at the Arts Council building and to Ken, Dave, and Joe for getting some fine-looking maple.

On the May 22nd at Heritage Park in Gardnerville Ken Crosby, Mike Walters, and I setup a tent and two of our Delta lathes and spent the after-

noon listening to local jazz groups, demonstrating woodturning, and meeting and talking to many attendees at the Jazz and Arts Festival. Thanks to all the members who stopped by and to Frank for dropping by and doing a couple of quick turnings. The weather was just right, the music good, and the people and conversations the best. Our hands-on for May was canceled at the last minute due to our usual room being used for voting. Because of a mix-up at the center, I wasn't aware of the change and was not able to make a timely announcement to the members. My apologies to any of you who were inconvenienced. Due to the congestion that will be caused by the Carson Valley Days activities there will be no meeting on June 11th. There will be a sale and auction of shop items and supplies at Ron Burdgs's home on that date.

If all goes to plan, we will hold a hands-on on June 25th. Hope to see you there.

If you would like to give demonstrating a try or have any ideas for projects or tools you would like to see demonstrated, please let me or any board member know.

We can use any, and all donations for the November craft show.

Get out in your shops, sharpen your tools, and make some shaving fly.

Ron Burdg Estate Sale and Auction

We are holding an Estate Sale/Auction on June 11th starting at 8am and continuing until everything is gone. You are all invited. There is a huge inventory of woodworking tools and equipment Ron acquired over the years, lots of it new in the box. Parking is limited so we will be shuttling attendees from the parking area to Ron's shop and back to their vehicles. Club members can invite up to two additional guests. From 8am till 10am invitees can look over the items for auction. You can purchase items at this time prior to the start of the auction at 10am. They are priced to sell! If any items are not priced one of the salespeople can give you a price. After the auction is underway no items can be purchased outright, winning bidders only. Form of payment is cash or credit card, CVW members can also pay by check. Refreshments will be served, and a bathroom is available.

Shuttle service will be available to take your purchases back to the parking area. If you purchase large equipment that cannot be transported, the buyer is responsible for picking up and loading the equipment at an agreed time and date.

Parking area is located on the south end of Franktown Road and old Hwy 395 in Washoe Valley. Look for the Carson Valley Woodturners banner and the balloons.

Please RSVP if you plan to attend.

CVW Meeting

June 11th 9:00 AM Douglas County Community Center

Hands on

June 25th 9:00 AM Douglas County Community Center

Douglas County Community & Senior Center

1329 Waterloo Lane
Gardnerville, NV 98410
775-782-5500

The community center is easy to find and there is ample parking and a really big flag.

If you are coming from the north:

Take highway 39 through Minden/Gardnerville to the fourth traffic light (look for Smith's on your left and Walgreens on your right). Make a right turn at this intersection onto Waterloo Lane.

If you are coming from the south:

Take highway 395 to Gardnerville. At the second traffic light (look for Smith's on your right and Walgreens to your left). Make a left turn at this intersection onto Waterloo Lane.

For all:

The center is a short way down Waterloo Lane on the left (look for the big flag) just before the skate park and opposite Lampe Park.

We are in the north end of the building (closest to the street) in the North Activity Room.
