## President's Gouge

Even without our regular meeting on the 11<sup>th</sup>, June was busy month. Frank Miller along with past member Dave Mills and their outstanding crew of club members spent many, many hours cleaning, sorting, and cataloging Ron Burdg's tools and supplies and holding a sale/auction at Ron and Jeri's home on the 11<sup>th</sup>. Thanks to everyone that made this event happen and to everyone who came and participated in the sale and auction. We miss you, Ron.

Wear a dusk mask when dust is generated.  
Work in well-lighted area.

On June 16<sup>th</sup> a number of our members along with Mary Ann Draper and many friends and family said goodbye to Bill Draper at his memorial service held at the Northern Nevada Veterans Memorial Cemetery in Fernley. **Fair Winds and Following Seas, Bill.**

With no regular meeting, there was no show and tell. So, I hope to see a plethora of items at our meeting on July 9<sup>th</sup>. (That may be the first time I used "plethora" in a sentence.)

The club board held a meeting on June 25<sup>th</sup> during the hands-on. Graham Chase stopped by to update us on our 501-C status. We are good with the state and federal governments.

We are reviewing our insurance coverage and will make changes if needed.

Our WEB master Don McRoberts will be moving out of the area soon. We need a volunteer to take over the job. If you have the skills and would like to volunteer your services, please contact me or any board member.

We are moving our storage sheds in the Arts Council Building to allow for the upgrade and covering of the irrigation pipe at the back of the building. We will be moving the sheds to a permanent location at the opposite side of the facility. Look for invite emails.

I'll be doing this month's demonstration at the July 9<sup>th</sup> meeting. A simple and fun way to turn spheres. Amaze and astound your family and friends. Tickets are going fast so don't miss this.

If you would like to give demonstrating a try or have any ideas for projects or tools you would like to see demonstrated, please let me or any board member know.

We can use any, and all donations for the November craft show.  
Get out in your shops, sharpen your tools, and make some shavings fly.  
John "Nik" Nikakis, President

## **CVW Meeting**

July 9th 9:00 AM Douglas County Community Center

## **Hands on**

July 23rd 9:00 AM Douglas County Community Center

## **Douglas County Community & Senior Center**

1329 Waterloo Lane  
Gardnerville, NV 98410  
775-782-5500

The community center is easy to find and there is ample parking and a really big flag.

If you are coming from the north:

Take highway 39 through Minden/Gardnerville to the fourth traffic light (look for Smith's on your left and Walgreens on your right). Make a right turn at this intersection onto Waterloo Lane.

If you are coming from the south:

Take highway 395 to Gardnerville. At the second traffic light (look for Smith's on your right and Walgreens to your left). Make a left turn at this intersection onto Waterloo Lane.

For all:

The center is a short way down Waterloo Lane on the left (look for the big flag) just before the skate park and opposite Lampe Park.

We are in the north end of the building (closest to the street) in the North Activity Room.
